

# List of Updates to Post-Deployment Health Clinical Practice Guideline (PDH-CPG) Toolbox 7 July 2010

## Provider Reference Pocket Cards

The following cards have been created/revised since the Toolboxes were originally produced. The cards can be printed from the PDH-CPG Toolbox Web Page and fastened to the blank cards at the back of the Toolbox, if desired.

**DD Form 2795 Primer Card, June 2010** - Update of original Pre-Deployment Health Assessment Primer to match guidance in DoD Instruction 6490.03.

**Specialized Care Program Card, November 2009** - Update of original SCP Card with more detailed information on SCP Track I and Track II.

**Depleted Uranium Card, November 2009** - Update of original DU Card with revised guidance.

**Deployment-Related Visit Coding Card, November 2009** - Update of original PDH Coding Card with revised coding guidance.

**DHCC Contact Information Card, November 2009** - Update of original DHCC Contact Info Card with revised email and mailing addresses.

**Major Depressive Disorder Guideline Card, November 2009** - Update of original MDD Card to coincide with revised VA/DoD MDD CPG.

**DD Form 2796 Primer Card, January 2008** - Update of original Post-Deployment Health Assessment Primer, revised to coincide with the update of the DD Form 2796.

**DD Form 2900 Primer Card, January 2008** - Two-sided card on DD Form 2900, Post-Deployment Health Reassessment (PDHRA) created and posted on Web Jun 05. Revised to coincide with the update of the DD Form 2900.

**PTSD Card, September 2004** - Six-sided card on Post Traumatic Stress Disorder (PTSD) created in Sep 04 and included in Toolboxes distributed since Jan 05.

## Compact Discs (CDs)

**Deployment Health Clinical Training (DHCT) Series CD** - Two additional training modules have been produced since the CD was produced in Jan 04. See the DHCT Series Web Page [http://www.pdhealth.mil/video/clinical\\_training\\_series/dialup/index.html](http://www.pdhealth.mil/video/clinical_training_series/dialup/index.html)

- Major Depressive Disorder (MDD) Clinical Practice Guideline, May 07
- Medically Unexplained Symptoms (MUS) Clinical Practice Guideline, Jan 06

**Clinical Practice and Disease Management Guidelines CD** - An updated version of this CD can be obtained from the MEDCOM QMO Web site [www.qmo.amedd.army.mil](http://www.qmo.amedd.army.mil) in the Shopping Cart.

**The entire contents of the PDH-CPG Desk Reference Toolbox, including new/revised items, can be found on the PDH-CPG Toolbox Web Page <http://www.pdhealth.mil/guidelines/toolbox.asp>.**
